State Reunion.

The confederate people at Springfield, Mo., with the assistance of the citizens in general, have made ample arrangements for the entertainment of all visitors who will be present on the dates set for their reunion, August 8, 9 and 10 proximo.

This will be one of the most interesting and enjoyable occasions in the history of the state organization, made doubly so on account of the unveiling of the confederate monument to take place on Aug. 10th or third day of the reunion.

This monument was purchased by friends of the lost cause, not only from Missouri but from nearly every state in the union, who appreciate the valor of those who struggled for southern independence.

All are invited to visit Springfield and enjoy the hospitality for which the people of the "Queen city" are noted.

All railroads leading into Springfield have granted a half fare round-trip rate good to return August 12. Tickets on sale August 7 at all stations.

A Cure for Cholera Infantum.

"Last May," says Mrs. Curtis Baker of Bookwalter, Ohio, "an infant child of our neighbor's was suffering with cholera infantum. The doctor had given up all hope of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days' time the child had fully recovered, and is now a vigorous, healthy girl. I have recommended this remedy frequently and have never known it to fail in a single instance." For sale by Richardson Drug Co.

White Man Turned Yellow.

Great consternation was felt by the friends of M. A. Hogarty of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was yellow jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful stomach and liver remedy, and he writes: "After taking two bottles I was wholly cured." A trial proves its matchless merit for all stomach, liver and kidney troubles. Sold by W. C. Gaston, druggist.
